MERCY HEALTH**

Comes now the affiant, after being duly sworn and cautioned states as follows:

1. I am currently employed at Jewish Hospital/Mercy Health as a RN.
2. The young RN's and employees that I work with are folding due to fear of losing their jobs and going ahead and receiving the mandated vaccination.
3. I used to be able to see screenshots of the tab showing covid positive/negative and vaccinated status of patients on the COVID floor PCU, but no longer can see it.

5. I feel patients should follow up with their PCP after discharge to receive the first injection and scheduling of the second
6. I do not want to be liable and in good conscience don't want to be responsible should they have side effects and/or reactions.
7. I do not want to be injected with the covid vaccination and I do not want to be forced with this ultimatum.
8. If I do not get the vaccination by my employer's deadline, I will be terminated from my job.
